MASTER SUITE, An Erotic Romance m/f

CAUTION: Explicit sexual behavior and graphic language (Purchase by anyone under the age of 18 is prohibited)

Dr. Adam King is a brilliant physician and researcher. He's also a cocky bastard who has been sent to the Fini Luxury Resort and Spa for a sensitivity class. When given the opportunity to be a Dom to a first-time Sub, he upgrades his reservation.

Dr. Whitney Grant is a well-respected pediatrician who needs to escape from the pressures of her job. For once, she wants someone else to make all the decisions while she fulfills her wildest sexual fantasies as a Submissive.

Together they explore the sensuous world of BDSM game play. When their weekend of erotic sex is interrupted by an unexpected emergency, Whitney is forced to break the fantasy of the Master Suite and run away.

They meet in the Master Suite for a weekend neither of them will ever forget.

MASTER SUITE is the second book in the Room Service Series, but it stands alone. It contains non-stop sexual erotic action and romance with light BDSM as Adam shows Whitney, a first-time Sub, the ropes. It has a happy-for-now or possibly forever ending.
