The Stages of Schizophrenia (Part 4) Mark Ellerby

Description

This, Mark Ellerby's fourth book on the subject of schizophrenia, deals further with his experiences of and thoughts on living with schizophrenia. This book explores some very important and pressing issues and in doing so debunks some myths and exposes many truths. Mark is an entertaining and informative writer and this is a worthy addition to his previous works.

About the Author

My biographical history is very much dominated by schizophrenia which began at age 21. I had just graduated from university and starting a PhD. course in political philosophy. I had to give up my PhD. after a five year struggle with the illness due to a lack of information to hand about what hearing voices actually is.
