Forensics accountant Bobbi Reeves is pulled back into a world of shadows in order to go undercover as a personal assistant with the Baltimore Banners. Her assignment: get close to defenseman Nikolai Petrovich and uncover the reason he's being extorted. But she doesn't expect the irrational attraction she feels—or the difficulty in helping someone who doesn't want it. Nikolai Petrovich, a veteran defenseman for the Banners, has no need for a personal assistant—especially not one hired by the team. During the last eight years, he has learned to live simply...and alone. Experience has taught him that letting people close puts them in danger. He doesn't want a personal assistant, and he certainly doesn't need anyone prying into his personal life. But that doesn't stop his physical reaction to the unusual woman assigned to him. They are drawn together in spite of their differences, and discover a heated passion that neither expected. But when the game is over, will the secrets they keep pull them closer together...or tear them apart?
