You met Rafe in the Real Vampires series as Glory St. Clair's bodyguard Valdez. Now see what happens when he gets his own story in Rafe and the Redhead. When his best friend gets married, Rafe realizes it's time to get his own life in order. His lady, were-cat Lacy, is pregnant and he wants to step up before the babies, triplets, are born. Lacy figures he's only willing to give her a ring because his true love is no longer available. Rafe is determined to woo and win the woman he loves. But before that can happen, he's taken away at gunpoint to his dying grandfather's bedside. He'd left his shape-shifter clan centuries ago and never wanted to return, but Grandfather needs him now. Can Rafe help save the old man and the clan? Will a woman with an agenda come between Lacy and Rafe? And how can a were-cat and a shape-shifter find their own happily ever after when the families from both sides are dead set against their union? Read Rafe and the Redhead to find out.
