## **The Europeans (Oxford World's Classics)** Henry James

Eugenia, an expatriated American, is the morganatic wife of a German prince, who is about to reject her in favor of a state marriage. With her artist brother Felix Young she travels to Boston to visit relatives she has never before seen, in hopes of making a wealthy marriage. The men of Boston soon realize her deceitfulness, and she returns to Europe, feeling that her fortune-hunting scheme is impractical in unsusceptible America.

Its wit, gaiety, and what Rebecca West calls its "clear sunlit charm" have made this masterly short novel the most popular of James's novels.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
