Charlie Ashley, or Mr. Ashley as his clients know him, is a high-end male escort who gets paid thousands for whatever services his clients require. He's lived the last ten years alone, not letting anyone in, enjoying his success and provocative lifestyle. Allison Hayes has no idea the man she is falling in love with is a male escort. She connects with Charlie through their love of music, playing a taunting game asking herself if she loves him, hates him or if she is going to save him. After meeting Allison, Charlie enters a world where everything he knows no longer makes sense, leaving him too scared to move forward, yet making it impossible to look back.
