Gay All the Way: Teach Me Fawn Dilcox

I dreaded my first day teaching at the university. I'm not made to teach. I can study, I can research, but I cannot teach. I tried talking to my advisor but he basically told me to suck it up. I arrived early for the class then Pierce came in. He gave me all the courage I needed to make it through the class and more.

After a successful class, I followed Pierce home. Little did I know, I would end up fooling around with Pierce. I'd never been with another man, I hadn't even thought about it. Yet I spent the night with Pierce and then came back the next night.

This steamy short story features my first gay experience and coming back for more action with a man.
