Conversations are snapshots of a person's worldview. You never know when one of those conversations will challenge your Christian faith. Are you equipped to effectively deal with this skepticism? *Meet the Skeptic* teaches believers to think about skepticism in categories. Chasing down answers to every objection a skeptic raises often leads nowhere because the conversation becomes a superficial game of one-upmanship. By uncovering the presuppositions (Root Ideas) behind objections, *Meet the Skeptic* trains believers how to steer conversations with skeptics in a more meaningful direction rather than trying to win the argument. It will help readers:

- Get to the Root Ideas of worldviews instead of pulling at the weeds
- Recognize the Red-Flag Words that prop up objections
- Scrutinize bumper-sticker comments
- Ask probing questions and acquire an ear for opportunities

Meet the Skeptic is effective for conversational training as well as being a model for building an apologetics curriculum. The four categories described provide a framework into which believers can organize and connect worldview ideas.
