Polly and Her Neighbor (Punishing Polly Book 1) Kelli Wolfe

Punishing Polly #1

She wanted to hate Josh for what he was making her do, but at the same time she didn't want him to ever stop.

When nineteen-year-old Polly backs into her **handsome neighbor** Josh's brand new car, it's all she can do not to break down and cry. She's going to be late for work again, her insurance is going to go through the roof, and Josh is going to be so angry at her.

No one actually noticed the accident, though, and so Polly decides not to leave a note. As she drives away, she thinks she's gotten away scot-free.

But her luck runs out when Josh shows up at her house that night with photos of the accident and threatens to turn her over to the police. He's furious and intends to teach her a **hard lesson**. How far will Polly be willing to go to convince Josh to let her off the hook? Will she let him use her however he wants, **rough and without protection**?
