Corrian Volf, the Ocrisia crimelord, needs an ally in his continuing fight against his rival Gann Fertorch. So he sends Zania, Kahri, Risch and Jain, the forester team formed in Silver and Blood, on another mission. Traveling along the river Ledallun, through the forest and across the Great Plains of Morstan, the four friends encounter new enemies and old allies, and fight battles with both steel and elven powers. And just when she thought she knew everything about her past, Zania discovers a new secret -- a secret that will take her beyond the river's end. River's End is the sequel to Trina L. Talma's Silver and Blood, and the beginning of a trilogy featuring Zania Corthinn and her friends.
