Manresa: An Edible Reflection David Kinch, Christine Muhlke

The long-awaited cookbook by one of the San Francisco Bay Area's star chefs, David Kinch, who has revolutionized restaurant culture with his take on the farm-to-table ethic and focus on the *terroir* of the Northern California coast.

Since opening Manresa in Los Gatos in 2002, Kinch has done more to create a sense of place through his food—specifically where the Santa Cruz Mountains meet the sea—than any other chef on the West Coast.

The restaurant's thought-provoking dishes and unconventional pairings draw on techniques both traditional and modern that combine with the heart of the Manresa experience: fruits and vegetables. Through a pioneering collaboration between farm and restaurant, nearby Love Apple Farms supplies nearly all of the restaurant's exquisite produce. *Manresa* is an ode to the mountains, fields, and sea; it shares the philosophies and passions of a brilliant chef whose restaurant draws its inspiration globally, while always keeping a profound connection to the people, producers, and bounty of the land that surrounds it.
