Memorable Quotations from Joseph Conrad

Memorable Quotations from Joseph Conrad

Born in Poland, Joseph Conrad (1857–1924) was an English novelist. After a stretch at sea (during which he became a British subject), he began (1894) writing novels in English, an acquired language, and ultimately became one of the greatest prose stylists in English literature. Noteworthy early works include *The Nigger of the Narcissus* (1897), *Lord Jim* (1900), and the novellas *Youth* (1902), *Heart of Darkness* (1902), and *Typhoon* (1903). A genius at creating character and atmosphere, Conrad powerfully portrayed individuals suffering from isolation and moral disintegration, and the clash between colonized cultures and European colonizers. His finest works include *Nostromo* (1904), *The Secret Agent* (1907), *Under Western Eyes* (1911), *Chance* (1913), and *Victory* (1915).
