Out of the Shadows: A Structuralist Approach to Understanding the Fiction of H. P. Lovecraft James Arthur Anderson

James Arthur Anderson takes a structuralist approach to dissecting the horror fiction of H. P. Lovecraft (1890-1937). This book offers both scholars and fans alike new insight into the work of the best-known American horror writer of the first half of the 20th century. As S. T. Joshi states: "Anderson's thorough familiarity with Lovecraft's texts (essays and letters, as well as stories), and with the best scholarship on Lovecraft, is evident on every page; and the fluidity with which he weaves together critical approaches into a unified commentary is enviable." Complete with chronology, bibliography, and index.
