The Global Venture Capital Handbook An International Look at Deal Structure, Legal Agreements, Term Sheets, and the Intricacies of VC in All Major Markets Aspatore Books Staff

Like so many others, venture capital has too, become a truly global business. This title explores the intricacies of VC deals industry by industry, country by country and region by region. From what venture capitalists look for in Japan to the components of a sound private equity investment in Germany, from the makings of a great "idea" in the UK to how to close a deal in Israel, authors articulate the finer points around venture investing now and what will hold true into the future. Managing and Senior Partners representing firms throughout Europe, Asia, the Middle East, the Americas and beyond, offer a comprehensive and cohesive overview of the factors and influences that drive venture investing in their country and what they look for, on a global scale. With case studies, sample supporting documents and a wealth of informed opinions, this book provides an insider's look at a truly broad and critically important international business. Sample topics include (this is only a partial Table of Contents): UN Foundation - Role & Magnitude International Venture Capital: The Role of Start-Up Financing in the United States, Europe, and Asia Building Venture Capital Industries: Understanding the U.S. and Israeli Experience Collateral Damage: The Venture Capital Outlook and Potential "No Growth" Economic Future You Say Potato, I Say Pomme de Terre (A Primer on Global Venturing) The U.S. Model: Structuring Venture Capital and PE Investments Venture Capital Industries in East Asia How Does Venture Capital Work?
