## The New Census: An Anthology of Contemporary American Poetry

Poetry. Edited by Kevin A. González and Lauren Shapiro, with a foreword by Dara Wier. THE NEW CENSUS captures the kaleidoscopic range of contemporary poetry, spanning a complex array of aesthetic, formal, and social concerns. It includes over one hundred poems from forty poets: Carrie Olivia Adams, Eric Baus, John Beer, Nicky Beer, Ciaran Berry, Jericho Brown, Suzanne Buffam, Heather Christle, Eduardo C. Corral, Kyle Dargan, Darcie Dennigan, Sandra Doller, Timothy Donnelly, Joshua Edwards, Emily Kendal Frey, Dobby Gibson, Yona Harvey, Steve Healey, Tyehimba Jess, Keetje Kuipers, Nick Lantz, Dorothea Lasky, Dora Malech, Sarah Manguso, Randall Mann, Sabrina Orah Mark, Chris Martin, J. Michael Martinez, Adrian Matejka, John Murillo, Sawako Nakayasu, Kathleen Ossip, Kiki Petrosino, Zach Savich, Robyn Schiff, James Shea, Nick Twemlow, Sarah Vap, Jerry Williams, and Jon Woodward. Alongside the work of these forty bright stars, THE NEW CENSUS features twenty census polls of its poets as well as dynamic illustrations by artist Lauren Haldeman.

"Encountering the assembled poets in THE NEW CENSUS first of all attracts eye, ear, mind, heart, soul, whatever you call our life-fuel, whatever it is one wants to keep up and running. Demographics aside, what all these poets have in common is will, is faithfulness to poetry's multiplicities, is some kind, manifest as many kinds, of tenacious tending to those powerful places a page of poetry sets before us.

We're meeting these poets just as they've begun to go on their ways, they've almost all published at least two, no more than three or four collections. It's a crucial time in an artist's story. She's arrived on the scene, someone has noticed, now she's at a crossroads. Where will she go? The original spirit one brings to one's earliest work needs to be acknowledged, possibly found again, possibly over and over again, if one is to continue. These poets have crossed over from private to public, they've sacrificed their privacy, they no longer keep their delicious secrets to themselves.

It's true that sometimes what we think we already know keeps us from seeing something fabulous and wonderful. What we know can obscure what we've never encountered before. The editors of THE NEW CENSUS have taken care to present to us what's new. It is coming over the horizon, toward us, to give us something, to alert us."—Dara Wier, from the Foreword
