The Wrath of Athena: Gods and Men in The Odyssey (Greek Studies: Interdisciplinary Approaches)

Jenny Strauss Clay

Available in paperback for the first time, Jenny Strauss Clay's landmark study of the *Odyssey* argues that Athena's wrath is central to both the structure and the theme of the epic poem. Clay demonstrates that an appreciation of the thematic role of Athena's anger elucidates the poem's complex narrative organization and its conception of the hierarchical relations between gods and men. This edition includes a new introduction by the author.
