## **American Water Spaniel (Comprehensive Owner's Guide)** Paul R. Morrison

A Yankee Doodle original, the American Water Spaniel hails from the state of Wisconsin, where in the town of New London Dr F J Pfeifer developed this all-around sporting dog that could retrieve and flush for the upland hunter. Medium in size and coloured in chocolate or liver, the American Water Spaniel excels as both a retriever and a spaniel. Author Paul R Morrison, an active AWS breeder and sportsman, traces the breed's origins back to Civil War days, chronicling the many legends that have evolved about this curly-coated field spaniel. A friendlier, smarter hunting companion cannot be found - the AWS remains one of America's best kept secrets. This book also discusses the breed's characteristics as a family dog and hunting dog, his personality and abilities and the breed standard. Each chapter is illustrated with colour photographs, making this volume as handsome as it is comprehensive and useful. Chapters on selecting a breeder and puppy, rearing and training the puppy, grooming, feeding and much more provide the owners with a complete guide to this fun-loving spaniel. This book also provides an excellent introduction to dog showing and trailing, sports that welcome enthusiastic newcomers on a weekendly basis. A special chapter on preventative healthcare, written by renowned veterinarian Dr Lowell Ackerman, provides up-to-date, accurate information on inoculations, parasites, spaying/netuering and much more.

The American Water Spaniel (Comprehensive Owner's Guide) will give you a new experience in studying a book.

#### **Howard Foster:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this American Water Spaniel (Comprehensive Owner's Guide) can make

you sense more interested to read.
