Dork Diaries Collection Rachel Renee Russell

Dork Diaries is a bestselling series around the world - and this nine-book collection will introduce children to Nikki Maxwell and her fun-filled diary!

Nikki is the exact opposite of popular - she's a total dork! When she moves to a new school, she feels it's the perfect time to leave her old, lame ways behind - but making new friends and changing your ways is never that simple!

Through the fun sketches, doodles and diary entries featured in the books, Nikki starts at her new school; battles with her arch-nemesis, Mackenzie; dreams of becoming a pop star; and tackles the topic of love - all with hilarious, dorky consequences!

Sure to be enjoyed by any child aged 9 or over who enjoys (or endures!) the sparklier side of teenage life, these books are laugh-out-loud funny and will appeal to the most reluctant of readers.

This collection contains books 1-9 in Rachel Renee Russell's Dork Diaries series.

From reader reviews:

Richard Hood:

What do you concerning book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They should answer that question simply because just their can do which. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need that Dork Diaries Collection to read.

Alice Black:

As people who live in often the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era which can be always change and move ahead. Some of you maybe may update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This Dork Diaries Collection is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Roberta Nieves:

People live in this new day time of lifestyle always try to and must have the time or they will get large amount of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not really a robot. Then we consult again, what kind of activity are there when the spare time coming to you actually of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative within spending your spare time, the particular book you have read is actually Dork Diaries Collection.

Tara Winston:

As we know that book is very important thing to add our information for everything. By a reserve we can know everything we really wish for. A book is a pair of written, printed, illustrated or blank sheet. Every year ended up being exactly added. This guide Dork Diaries Collection was filled regarding science. Spend your free time to add your knowledge about your technology competence. Some people has different feel when they reading some sort of book. If you know how big benefit of a book, you can sense enjoy to read a guide. In the modern era like today, many ways to get book that you simply wanted.
