BECOME A FOSTER PARENT A mom, dad, house and dog do not make a home. Everyday, there are children who experience this sad fact when they are removed from their home due to neglect or abuse. Not every foster child has a foster family. In some regions, foster children must wait for long periods of time in shelter care. More than one-half million children in the United States rely on foster families to provide a safe and loving home. Many wonderful and caring families would like to open their homes to these children, but are clueless about how to get started. There are many misconceptions, myths and misunderstandings surrounding foster care. These concerns must be shattered and waiting children must be nurtured. This book details for prospective foster parents the requirements, qualifications and screening process. Step by step, foster parents are guided through the crucial decisions and directed to the vital information they will need to foster parent effectively. Foster Parent Handbook provides an indispensable guide for navigating through the foster care system. It is designed for use by prospective foster parents, those who are currently foster parents and professionals providing foster care services.
