Even the streetwise detectives in King County, Washington, are baffled by the death of fourteen-year-old Andrew Waterford. On the surface, the case is just another teenage suicide, but the police can find no trace of Andrew's fingerprints on the gun. Then the forensic lab discovers the fingerprints of all four remaining Waterford family members on what could now be labeled a murder weapon. But this is not the last shocking Waterford secret to be revealed as a result of their son's death. In *From Andrew, With Love* we are introduced to sensitive, tormented young Andrew in vivid flashbacks through his short, troubled life. An awkward loner lacking the natural charm and athleticism of his two siblings, Andrew suffers the sting of being an outsider in his own home. The question is, did a member of the family commit a crime to keep the Waterford reputation intact? Will Andrew's death finally force the Waterford family to face their problems, or will it shatter their bonds forever as the final, sinister secret is exposed? A thrilling novel filled with suspense and intrigue, *From Andrew, With Love* portrays in chilling detail the lengths to which a family will go to hide their darkest dysfunction.
