Herbal & Natural Antibiotics Box Set: 35 Alternative Home Remedies to Prevent and Treat Strep Throat and Sinus Infections (Herbal & Natural Antibiotics ... Herbal Medicine, Natural Antibiotics Books) Antoine Dayer, Nita Calderon

BOOK #1: Herbal Antibiotics: Top 10 Treatments and Home Remedies to Prevent and Naturally Treat Sinus Infections

Modern medicine has made significant advances, particularly in the last century. As a result, people have steered away from the tried and tested natural remedies that have been around for ages, opting instead for the dangerous quick-fixes offered by science.

How are these dangerous? Well, the side-effects of these modern miracles are the topic of much heated debate, and many people often overlook the cons of popping a pill for the temporary relief of their condition.

Natural remedies are different. They are easily available, without prescription, and can often be found right in your own kitchen. They also don't carry the negative side-effects that traditional medicine carries, making them a safer alternative when it comes to the treatment of cuts and bruises, and even sinus infection.

That is the purpose of this book, to introduce you to herbal remedies that will naturally treat sinus infections. Some of these treatments might not appeal to you, and others will be easy to introduce into your life. Some of the ways of eliminating the causes of sinus infection from your environment might be difficult to apply, some may be relatively easy. The benefits of trying these treatments will be felt almost immediately though, and you will experience them for the longest time.

You will be shown the following things:

- What causes sinus infection, and what are the symptoms
 - What herbal treatments are available to you
 - How you can fortify your immune system to assist with the treatment and prevention of sinus infection
 - How you can eliminate some causes of sinus infection from your environment and diet
-
- BOOK #2: Natural Antibiotics: Natural Alternatives to Antibiotics. 25 Herbal Medications to Treat Strep Throat

Did you know that doctors can do more harm than good when it comes to treating strep throat and other

flu symptoms? We are in love with prescribed antibiotics and medications, unaware that those substances are in fact weakening our immune system, making our strep throat issues constantly coming back bugging us.

Just as our ancestors, we can turn to solving minor health conditions with herbal remedies that can do only good for us; no side-effects and no additives. Nature has so many amazing things to offer to us and we just need to reach out and use it.

In that spirit, *Natural Antibiotics: Natural Alternatives to Antibiotics* is offering a list of 25 all natural remedies that are guaranteed to help you with sending the strep throat problems to oblivion, at the same time preventing it from coming back, which is more often the case when using prescribed antibiotics.

In our book you will find:

- Information about all natural remedies
- Instructions on how to use and consume natural remedies
- List of 25 all natural remedies with detailed explanation of their benefits and perks of using natural remedies
- Tips on how to speed up your healing process while using natural remedies
