The interactive eBook CD, formerly the BookOnCD, includes the entire contents of the printed book and brings concepts to life with animations, videos, Try IT! activities, and guided software tours. Students are introduced to the eBook CD technology in the Orientation chapter. Icons throughout the text indicate media elements and activities that reinforce material in the printed text. You can track students' progress with WebTrack, an easy-to-use course management system that collects student scores from QuickChecks, Interactive Summaries, Situation Questions, Practice Tests, and Concept Maps. Scores are automatically consolidated into reports, which can be output to the spreadsheet or database of your choice.
