Myths and Legends of Flowers Trees Fruits and Plants in All Ages and in All Climes Charles M. Skinner

This historic book may have numerous typos, missing text, images, or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1911. Not illustrated. Excerpt: ... The early Christian church dedicated the plant to the Virgin, and in the east and in parts of Europe it is prized by women who believe that they shall become mothers of many. Wherever the holy family paused in its flight to Egypt this plant sprang from the earth, the first rising from the plain of Jericho to greet the infant Saviour. ROSE Loved by the world and loving it, the rose is the type of beauty. It is grown and worn in all but Arctic lands and the equatorial belt. Its essence, the fragrant attar, carries to the earth's ends a memory of its sweetness. It has been the symbol of faction, the symbol of peace, the emblem of prospering nations. Its part in history is still told in rites and tributes, for in London the custom holds of laying the city sword on a bed of rose-leaves on Michaelmas day--a memory of the Wars of the Roses. The rose figures from the earliest times in the art, the poetry, the traditions, of the people, and has its place in the legends of the saints. It is with a rose of gold that the Pope requites service to the faith. It is a rosary by which piety still numbers its prayers and aves. The rose blooms in precious stones, among the treasures of kings and princea of the church; it flowers on storied windows; it glorifies tapestries and vestments, silks and canvases, even as it blows in gardens. From the earliest speech, it has figured in poetry and song. It comes from China, Japan, Persia, Damascus, Caucasus, Provence, Iceland; it borrows the name of Sharon; we have the Austrian briar and the double yellow of Constantinople; we pluck the banksia of Scotland and the harsh plant of the Dead Sea border; we have our own lovely roses that will not leave America, for they say that the blooms of Virginia die if they are transplanted. We f...
