When children are engaged, they learn. Creativity captures their curiosity and helps the truth of God's Word to sink deeply into the soil of their hearts. And God is faithful. He will continue to water and care for those seeds until they produce a harvest.

In this book, you will find creative, dynamic object lessons that let children participate in their learning. They draw on lessons from science, stories, popular games and even a little "magic," and they are always firmly rooted in truth from God's Word.

Both new teachers and old will find these lessons easy to use and fun to deliver. Children will want to share what they learn with their families and friends, and they will be excited to see what you are going to teach them next week!
