Instead of saying "I do" to Mr. Irresistible, Lucy Jorik hitches a ride on the back of a beat-up motorcycle with a rough looking, bad-tempered stranger who couldn't be more foreign to her privileged existence. While the world searches for her, Lucy must search for herself, and she quickly realizes that her customary good manners are no defense against a man who's raised rudeness to an art form. Lucy needs to toughen up—and fast.

Her great escape takes her to his rambling beach house on a Great Lakes island. Here, she hopes to find a new direction . . . and to unlock the secrets of this man who knows so much about her but reveals nothing about himself. As the hot summer days unfold amid scented breezes and sudden storms, she'll encounter a passion that could change her life forever. In this dazzling follow-up to her *New York Times* bestseller, *Call Me Irresistible*, Susan Elizabeth Phillips tells the funny, touching, enchanting story of a young woman searching for her destiny . . . and of a damaged man who doesn't believe in second chances.
