The Power of God at Home: Nurturing Our Children in Love and Grace J. Bradley Wigger

The Power of God at Home by Bradley J. Wigger provides both a biblical model and practical suggestions for helping the entire family become aware of God's presence in everyday life. He thoughtfully reveals the powerful formative influence of family life and shows that homes are the places where some of the deepest, most important learning takes place. Wigger-- a husband, father, and professor of Christian education-- uses honest examples from his own family life that open a window to grace and encourage parents to take a second look at their own homes, their own faith, and how home and faith connect in their lives. The Power of God at Home offers a refreshing perspective on family life, revealing families as potential bearers of God's grace and blessing and telling us how we can play this role more intentionally and thoughtfully.
