Thorny, Book 1 of The Smothered Rose Trilogy

"You're nothing but an ugly old witch. I wish I could leave this flock and go back to hunting and being surrounded by pretty things and attended upon, as is my right. I hate the life of a shepherd."

"You would prefer, then, to be the wolf?" she asked, waving her hand about in the air. "Very well. You can have what you want . . . and your outward appearance shall reflect your inner heart. As you wished it to be, so it shall be."

An Apt Punishment for the Boy Who Cried Wolf . . .

When a spoiled boy is forced to watch over a flock of sheep, he finds himself more interested in catching the eye of a girl with lovely ground-trailing tresses than he is in protecting his boring charges. But after he cries "wolf" twice, a determined fairy decides to teach him a lesson once and for all. She will give him what he desires, and perhaps he shall learn that some things are worth more than simply getting what he wants; some things are worth making sacrifices for.
