Patriarchs and Prophets Ellen G. White

"Patriarchs and Prophets" by Ellen G. White presents the story of the conflict between good and evil--between Christ and Satan--from its beginning, starting with the origin of evil, then taking up the creation of the world, the Bible patriarchs, Israel's Egyptian bondage and Exodus, and their establishment in Canaan up to the time of David. Where did the human race come from? Why do bad things happen to good people? Why are babies born sick, and why do so many hard-working people never seem to get ahead? If God is good, why doesn't He prevent sadness and heartbreak? And if He is all powerful, why doesn't He do something about evil and sickness? These questions and many more are answered in this remarkable book. Few people today realize that evil all around us is the visible evidence of a great war that has raged in the universe for thousands of years now. "Patriarchs and Prophets" reveals with accuracy and authority just how and why this great war began and who is behind it. The first in a series of five exciting and inspiring books covering the history of the world, "Patriarchs and Prophets" has brought peace and hope to millions throughout the world. This classic covers the Old Testament from the story of creation through the life of David. A truly remarkable book!
