**Spirits, Angels, Demons, and Gods: Experiences on the Road to the Heavens and to the Hells** Don Little *Spirits, Angels, Demons, and Gods: Experiences on the Road to the Heavens and to the Hells* examines life and death by looking at the human soul's biography in a different way than any previous interpretations. It delves into the uncharted mysterious spiritual life that does not hinge upon any one biblical or secular interpretation, and it offers a diverse approach in that it taps into different dimensions and different parallel universes of the spiritual world.

The author describes the soul's possible or actual journey after its earthly-physical death, the experiences it encounters, the pathways the soul takes when disembodied, and the entities the soul meets between the spiritual and the material worlds after crossing, which could be the soul's loved ones, the soul's spirit guides, angels, demons, or many other spirit forms. Karma and reincarnation are discussed in depth, as well as the Spiritual Life Force and the Zen of Life, of which little has been written.
