The Dulce Protocol Robert Teske

This is the "Grandfather" of all conspiracy theories in regards to Ufology, ET, and everything "Alien". The famed "Roswell Crash of 1947" is just the "tip of the iceberg". The Prophecies of Revelation, Daniel, and Ezekiel are playing out before our eyes today, before the eyes of THIS generation TODAY! In view of the current environmental, social, political, and economical atmosphere that permeates every culture of this world, you must be able to see the BIGGER picture; the entire spectrum, if you will, not just one color. And that spectrum goes far beyond what anyone could have ever perceived possible. It goes beyond science fiction. Hollywood couldn't even have conceived the reality of Hell ON, BENEATH, or ABOVE Earth. But rest assured, they will damned sure try to convince you otherwise. With that said, don't even try to imagine what is between the covers of this manuscript. You have to read it for yourself. There will be many who will discard any and all notion that any of this could remotely be true. Are the words between these cover true? I don't know. I pray to God that they're NOT. But I will tell you this much, I have definitely gone through an Attitude Adjustment, and I have seriously begun to question my concepts of reality. We are living in very dangerous and very treacherous times. So read on and see if any of this makes as much sense to you as it does to me. Open your hearts, open your minds, and question EVERYTHING! – Bob Teske – April, 2012 32

From reader reviews:

Jorge Hinkley:

Reading a e-book tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this The Dulce Protocol.

Danny Nehring:

Reading a book to be new life style in this calendar year; every people loves to examine a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and also soon. The The Dulce Protocol will give you a new experience in looking at a book.

Cornelius Ryerson:

Many people spending their period by playing outside along with friends, fun activity with family or just watching TV the whole day. You can have new activity to spend your whole day by reading a book. Ugh, think reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Touch screen phone. Like The Dulce Protocol which is getting the e-book version. So , try out this book? Let's see.

Edward McCain:

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we would like. A book is a list of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This e-book The Dulce Protocol was filled regarding science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading any book. If you know how big selling point of a book, you can sense enjoy to read a publication. In the modern era like currently, many ways to get book that you wanted.
