An unconventional woman trapped in a conventional marriage, Martha Quest struggles to maintain her dignity and her sanity through the misunderstandings, frustrations, infidelities, and degrading violence of a failing marriage. Finally, she must make the heartbreaking choice of whether to sacrifice her child as she turns her back on marriage and security.

*A Proper Marriage* is the second novel in Doris Lessing's classic Children of Violence series of novels, each a masterpiece on its own right, and, taken together, an incisive and all-encompassing vision of our world in the twentieth century.
