## **Alternatives to Economic Globalization: A Better World Is Possible**

The culmination of a five-year project by the International Forum on Globalization (IFG), this book presents an inspiring plan for moving toward more sustainable, humanistic models of economic prosperity with an emphasis on citizen democracies, local self-sufficiency, and ecological health. Areas of discussion include the ten core requirements for democratic societies as well as alternative systems of energy, agriculture, and manufacturing. Written by a premier group of 18 thinkers from around the world and edited by best-selling authors John Cavanagh and Jerry Mander, this revised and expanded edition represents the official consensus of the living democracy movement. Delving into the most compelling alternatives to globalization thus far, it features a chart on the effects of globalization and three entirely new chapters on the global balance of power, the media, and what ordinary people can do about globalization.
