Constitutional and Administrative Law: Text with Materials David Pollard, Neil Parpworth, David Hughes

Constitutional and administrative law is a core subject on law degree courses, though one that has not been standardised throughout the academic community. Pollard, Parpworth and Hughes: *Constitutional and Administrative Law --Text with Materials* is therefore written to reflect the "common core" which exists in law courses. This book gives the student a full understanding of constitutional law by explaining the history of the development of the constitution in the UK and illustrates the effect of the political environment on constitutional development.
