## Little Black Sambo

This book was used to read to kindergartner's classroom taught by mother-in-law for many years. It was probably written by Helen Bannerman but does not state she was the author. This is the classic story of Sambo going into the jungle in his fine clothes, piecing the clothes out to the tigers who ultimately became a pool of butter when they became so angry at each other that they went round and round a tree until they melted. This would be a great addition to anyone who happens to collect Sambo items even though it is only in acceptable condition.
