Little Man, and the Dixon County War Stan R. Mitchell

Blood. Pain. Justice.

In the savage Wild West, these are three words that are more than just words on a page.

You know them. You live them. And not a single dawn arrives that you're not thankful to still be alive.

In this brutal, untamed landscape, comes an honest man, who will do what's right even if it costs him his life.

Awaiting him is an evil cattle baron named McConnell, who's the most powerful man in the West.

The honest man -- Paul Zachary -- has just hung a badge on his vest, while McConnell has just set his sights on the new lawman.

McConnell has bribed or buried every man who's ever stood up to him, and he has almost a hundred gunhands under his control.

It looks like the mortician is about to get really busy...

"Little Man, and the Dixon County War" is a fast-paced thriller set in the Western era. Fans of "Appaloosa" and "Django Unchained" will almost certainly love this book.

But be forewarned. There are no cattle drives or beautiful sunsets. No slow scenes with formal manners and tender dames.

This is the gritty West. A place where lawless land barons push the weak, and sworn law officers balance keeping the peace and staying alive. Blood flows early and often, and danger lies waiting around every corner.

This is not a book for the faint of heart, or for those who want to imagine living out west before the land was tamed. Had you lived in these times and on these pages, you'd keep a gun by your side. Probably two. And you'd damn well better have known how to use them.

This book -- as you can see -- contains mature language and moves fast. It's a hard, thrilling ride, so if you choose to saddle up, prepare to be thrown off a time or two. And if you make it to the end, you're not done yet: perhaps the only thing more thrilling and explosive than this book is its ending.

(Publisher's note: Due to the high demand for a follow-up book, production has already begun on Book 2. It's expected to drop in the Spring of 2016.)
