Jacques Lacan

The Ego in Freud's Theory and in the Technique of Psychoanalysis, 1954-1955 (Vol. Book II) (The Seminar of Jacques Lacan) Jacques Lacan

A complete translation of the seminar that Jacques Lacan gave in the course of a year's teaching within the training programme of the Société Française de Psychanalyse. The French text was prepared by Jacques-Alain Miller in consultation with Jacques Lacan, from the transcriptions of the seminar.

This Seminar, together with Seminar I, which was published simultaneously, was worked on by both translators so as to produce uniformity in both terminology and style. Considerable attention was paid to the practices of previous translators of Lacan, in particular Anthony Wilden, Alan Sheridan, Stuart Schneiderman and Jacqueline Rose, in the hope that some consistency in the English rendition of Lacan can be achieved.
