The Virtue Driven Life Benedict J. Groeschel

Since when is being called "virtuous" an insult?

It's a word that has gotten a bad rap, misused and misunderstood even by great thinkers, philosophers, and theologians, and mocked in the cynical sound bites of the media.

Rediscover virtue as it should be understood in our lives. With wit, warmth, and wisdom, Father Groeschel reintroduces the seven virtues of prudence, justice, fortitude, temperance, faith, hope, and charity. One by one he makes them meaningful for modern men and women, shaking off the dusty mantle of pretentiousness and demonstrating how each has a real role in a whole and holy life.

Father Groeschel's charming conversational style entertains even as he educates and challenges us. History, politics, an advertisement, the neighbor down the street ... all are reference points for Father Groeschel as he explores the meaning of each virtue for Christians today. By the end of the book, you will understand that being labeled virtuous is the ultimate compliment!
