Ever wonder what it would be like if an instructor was always present to teach you economics whenever and wherever you wanted? The Tomlinson videos are an online multimedia video lecture series that provides students with instructional assistance 24/7. Students can watch these segments over and over as they prepare for class, review topics and study for exams. Lecture notes and quizzes for each segment are also available. Professors may require students to view the videos before class to leave the class time free for activities or further explanation. Available for an additional charge bundled with the text.
