Protecting her was like breathing, I didn't have a choice.

Gia: I didn't expect to see the man with the piercing blue gaze at my mother's funeral, but I couldn't forget him. My brother tried warning me about him, but I didn't believe it until Dante appeared in the middle of the night with his gun. My brother messed with the wrong people and now they're after me, but Dante will do anything to stop them. He's a trained killer and my protector. How can a good Catholic girl like me be with an assassin? It's simple--I love him.

Dante: People call me a monster, I call it a job. Being a hitman was the only thing that mattered until I saw her. Gia is pure and innocent, she doesn't deserve someone like me. But now she's in danger and I will do anything to protect her. Even if that means the one thing that will push her away forever--I must kill her brother.

This is the novelized boxed set of the Made Man Trilogy (Soldier, Capo, and Boss).
