Swami and Friends

Narayan, R. K.

Swami and Friends Narayan, R. K.

His greatest passion is the M CC - the Malgudi Cricket Club - which he founds together with his friends: his greatest day is when the examinations are over and school breaks up - a time for revelry and cheerful rousness. But the innocent and impulsive Swami lands in trouble when he is carried away by the more serious unrest of India in 1930. Somehow he gets himself expelled from two schools in succession, and when things have gone quite out of hand he is forced to run away from home ...This is far more than a simple narrative of Swami's adventures - charming and entertaining as they are. By the delicate sympathetically observed, the author establishes for us the child's world as the child himself sees it: and beyond, the adult community he will one day belong to - in Swami's case, the town of Malgudi, which provides the setting of almost all Narayan's later novels.

From reader reviews:

Patrice Gasaway:

Now a day people that Living in the era where everything reachable by connect with the internet and the resources included can be true or not need people to be aware of each facts they get. How many people to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Looking at a book can help persons out of this uncertainty Information specifically this Swami and Friends book because this book offers you rich facts and knowledge. Of course the information in this book hundred per cent guarantees there is no doubt in it as you know.

Jennifer Case:

The reason why? Because this Swami and Friends is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the reserve store hurriedly.

Florence Davis:

Your reading sixth sense will not betray a person, why because this Swami and Friends book written by well-known writer whose to say well how to make book that may be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and creating skill only for eliminate your own hunger then you still question Swami and Friends as good book not just by the cover but also from the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing one more sixth sense to pick this particular!?! Oh come on your examining sixth sense already alerted you so why you have to listening to yet another sixth sense.

Jose Johnson:

Are you kind of active person, only have 10 or perhaps 15 minute in your moment to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find reserve that need more time to be study. Swami and Friends can be your answer given it can be read by you who have those short time problems.
