The Billion Dollar Contract: Cosigners Cynthia Dane

The fourth installment of The Billion Dollar Contract

"I'm not the kind of woman who sees love where it doesn't exist. I'm too practical for that. But I can see it in his eyes. The way he looks at me, like I'm the best part of his day. He doesn't just want me. That man loves me.

I love him too. That's why I'm gonna sign him up for a million mailing lists about power drills and politics if he doesn't confess to me soon! I'll do it, too! The man was dumb enough to give me his private email address!"

When Jasmine signed up for her three million dollars, she dreamed of buying a country villa, a nice car, a beautiful wardrobe... oh, and getting rid of that pesky student loan debt. So she had to put up with an aloof if not disgustingly good looking billionaire who doesn't understand the difference between affection and just fooling around. Big deal!

But it is a big deal. Because Jasmine Bliss, woman of little needs and fewer effs to give, is in love with Ethan Cole.

And now he's here. In her apartment. On the verge of telling her three words that will change both of their lives forever. All while a dark and foreboding feeling fills Jasmine every time she runs into this man's business partner and the sad woman who was once such a formidable part of Ethan's past.

The deeper Jasmine falls into Ethan's world, the harder it becomes for her to escape!
