The Entrepreneurial Adventure: A History of Business in the United States

Larry Schweikart

The Entrepreneurial Adventure: A History of Business in the United States Larry Schweikart

THE ENTREPRENEURIAL EXPERIENCE is unique in its positive portrayal of the American entrepreneurial spirit and in its pro-market, pro-entrepreneur perspective. Professor Schweikart emphasizes that individuals, not groups, are most responsible for the creation of wealth in America, and that individual entrepreneurs, if left to their own devices, will have a better chance of solving problems than if controlled or regulated by the government. While the book covers the full extent of the history of the United States, approximately 40% of the text is concerned with the twentieth century.
