Berliner Chic: A Locational History of Berlin Fashion (Urban Chic) Susan Ingram, Katrina Sark

Since becoming the capital of reunited Germany, Berlin has had a dose of global money and international style added to its already impressive cultural veneer. Once home to emperors and dictators, peddlers and spies, it is now a fashion showplace that attracts the young and hip. Moving beyond descriptions of Berlin's fashion industry and its ready-to-wear clothing, *Berliner Chic* charts the turbulent stories of entrepreneurially-savvy manufacturers and cultural workers striving to establish their city as a fashion capital, and being repeatedly interrupted by politics, ideology, and war. There are many stories to tell about Berlin's fashion industry and *Berliner Chic* tells them all with considerable expertise.
