Better Than Ever: The Fast-Track to Peak Performance in the Bedroom John Byington, Robert W. Bly
Remember firm, spontaneous erections, intense desire, and long-lived stamina that were just a normal part of sex?

You could be experiencing great sex by next Saturday (or even sooner). And even better you can have that hot spontaneous sex you desire naturally. That's right, no dangerous drugs, no silly tools, and no potentially botched surgeries.

As men get older it can take longer to achieve an erection. And they usually aren't as firm or long-lasting as they were. Then at times, it's just difficult to get an erection at all. As a result, guys sometimes end up initiating sex less frequently for fear of being embarrassed.

The fact is millions of men don't have the sex life, sex drive, or potency they want. Sadly many end up just giving up on one of the most important—and enjoyable—aspects of life. But that doesn't have to be you! It's a vicious cycle but it's one you CAN get break out of.

In "Better than Ever" sex researcher and noted author John Byington talks about every man's desire to have great sex. In a market flooded with erectile dysfunction drugs and an everything is better with surgery attitude "Better Than Ever" takes a unique natural approach to tackling E.D. In direct language and with specific information, he explains how easy it can be to have firm frequent erections naturally.

Not only is "Better than Ever" an excellent and enlightening resource that will get you on your way to surging stamina and better sex, but it's a fun and often amusing read. Byington has packed his book full of useful tips and fun facts you'll find both helpful and entertaining.

Whether you're just looking for ways to reenergize and spice up your sex life or you are one of the up to 140 million men worldwide who suffer from some degree of impotence "Better Than Ever" will provide you with the information you need to reclaim what is rightfully yours, a satisfying and exciting sex life. Ready to feel the difference?
