Law, Ethics, and the War on Terror Matthew Evangelista

In recent years the mass murder of thousands of innocent civilians by al Qaeda terrorists has plumbed the depths of criminality and immorality. Yet it is the response to those attacks, particularly by the United States, that has provoked widespread accusations that the anti-terrorist cure may be worse than the terrorist disease.

This book explores the key legal and ethical controversies that arose in the wake of the brutal attacks of 11 September 2001. After the Cold War, progress in human rights and limitations on warfare created an impression that "global civil society" had emerged to challenge the dominance of states and establish new norms to guide their behavior. The events of 9/11, however, witnessed a reassertion of state prerogatives, reflected in challenges to the Geneva Conventions and the stigma against torture. Focusing on core debates about preventive war and the implications of targeted assassination, kidnapping, indefinite detention, and the torture of suspected terrorists, the book asks whether state practice will further undermine the very norms of international law and morality, or whether efforts to combat terrorism can be brought back into conformity with ethical and legal standards.

From reader reviews:

Mattie Martin:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era which can be always change and progress. Some of you maybe may update themselves by studying books. It is a good choice in your case but the problems coming to anyone is you don't know which you should start with. This Law, Ethics, and the War on Terror is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Anne Shivers:

Reading a book tends to be new life style in this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Along with book everyone in this world may share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some research before they write to their book. One of them is this Law, Ethics, and the War on Terror.

Lisa Robinson:

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This Law, Ethics, and the War on Terror can be the answer, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

Debbie Gray:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Law, Ethics, and the War on Terror can make you experience more interested to read.
