## **1876: A Novel** Gore Vidal

Gore Vidal's Narratives of Empire series spans the history of the United States from the Revolution to the post-World War II years. With their broad canvas and large cast of fictional and historical characters, the novels in this series present a panorama of the American political and imperial experience as interpreted by one of its most worldly, knowing, and ironic observers.

The centennial of the United States was celebrated with great fanfare--fireworks, exhibitions, pious calls to patriotism, and perhaps the most underhanded political machination in the country's history: the theft of the presidency from Samuel Tilden in favor of Rutherford B. Hayes. This was the Gilded Age, when robber barons held the purse strings of the nation, and the party in power was determined to stay in power. Gore Vidal's **1876** gives us the news of the day through the eyes of Charlie Schuyler, who has returned from exile to regain a lost fortune and arrange a marriage into New York society for his widowed daughter. And although Tammany Hall has faltered and Boss Tweed has fled, the effects of corruption reach deep, even into Schuyler's own family.

### From reader reviews:

#### Angela Taylor:

Precisely why? Because this 1876: A Novel is an unordinary book that the inside of the guide waiting for you to snap that but latter it will zap you with the secret that inside. Reading this book beside it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

#### William Martin:

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love 1876: A Novel, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't understand it, oh come on its known as reading friends.

#### Martha Holt:

A lot of guide has printed but it is different. You can get it by online on social media. You can choose the best book for you, science, amusing, novel, or whatever by simply searching from it. It is referred to as of book 1876: A Novel. You can contribute your knowledge by it. Without making the printed book, it might add your knowledge and make a person happier to read.
