A Short Introduction to the Hebrew Bible John J. Collins

John J. Collins's Introduction to the Hebrew Bible is a leading textbook in Old Testament studies. With this new, well-tailored abridgement of that larger work, Collins's erudition is now available to general readers and professors and students who prefer a shorter, more concise introduction to the Hebrew scriptures.

New features, especially designed for the college student, include maps, images, and study questions. A companion web site includes special resources for both teachers and students including: PowerPoint presentations, chapter by chapter test banks, study questions, suggestions for further reading, and web site links.
