Amado Elam:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
