Evil Tide (The Five Kingdoms Book 6) Toby Neighbors

Evil in the Five Kingdoms has struck a devastating blow.

A tide of evil rolls northward as a monstrous army moves across the land like a wicked plague, forcing the young wizard Zollin to race back to the frozen highlands in hopes of recruiting the magical races of dwarves, dragons, and giants to help fight the dark sorceress Gwendolyn's horde. Brianna and what remains of her pride of dragons, returns to Yelsia to convince King Felix to take a stand with Zollin's magical army, but not everyone sees the devastation of the other kingdoms as a threat. Farther south, Quinn and Mansel battle for survival against wicked creatures bent on sweeping them away. The Five Kingdoms stand poised on the cusp of darkness, and through it all Zollin and his friends must find a way to turn the tide of evil as the future of the Five Kingdoms hangs in the balance.
