**\*\*The Queen Quartette\*\***

In this seductive series, four lives collide in a riveting tale of *secrets, deception, betrayal, and revenge...*and this story is about...

*the wildflower...*

Gullible and trusting, Regina "Nina" Connors can't get enough of Gabriel Alexander. He's smart, sexy and lights a fire in her she never knew she had. Unbeknownst to her, however, he arranges to have her work as the new publicist for his young, upscale resort and casino, Royal Courts. Yet when Nina heads out to the City of Sin, she discovers her Gabe has been keeping secrets--and another kind of fire in her ignites...

Gabe is a shrewd businessman who knows what he wants and he wants Nina. There's only one person keeping him from the woman he's determined to have--his soon-to-be ex-wife. Caught in a bitter divorce, Gabe finds it hard to put his trust in anyone. Until Nina. Except their relationship is ensnared by lies, which he must quickly untangle them from or risk losing the woman he loves...

As Gabe works to restore her trust in him, Nina suddenly finds herself at the mercy of his manipulative wife. Caught in a dangerous web of jealousy and obsession, Nina soon learns that loving Gabe may just cost them more than they bargained for.
